

MAX SHIELDS

SPONSORSHIP PROPOSAL

About Max

Max started racing at 9 years old and he had some success in Honda 200 Extreme with several podiums as well as winning the 'W' plate at Wombwell.

When he was 11, Max moved up to Junior Pro Kart and he has never looked back.

On his first full year he won the JKC - experiencing the best tracks around the country. He was also 2nd at Teesside and holds the lap record on Bridgestone tyres.

Max has just won the JKC junior Pro Kart championship for the second year in a row, after defending his title - he is also coming 2nd in the JKC Junior Rotax championship - he decided to run two Karts this year, which has meant 8 races on race days. With one race to go, we hope to hold on to 2nd.

We are also 2nd at Teesside with 3 rounds to go, so fingers crossed for a good end to the season. Max currently has the laprecord at Teesside on the new Dunlop rubber.

What can we offer you?

Motorsport is expensive and to continue to make my dreams a reality, fighting for race wins and championships, I need support from companies and brands who want to support me.

Racing in the series I do, we have constant live streams, which are shown live on Youtube and social media, as well as Amazon TV following me and the series, creating a bespoke tv documentary called Driven Dreams.

We can offer our Partners great coverage over social media, through my Facebook and Instagram channels, with mentions before, during and after every race. Social media is king, bringing your brand to new people all over the world, right onto their phone or computer.

My race overalls are a blank canvas, making them a great advertising board for your brand, perfect for your branding. And then we get to the kart, the biggest billboard of all, especially a front running one! Being photographed a lot, as well as being captured by the live TV cameras and spectators when the kart is on track or in the paddock, whether it be a small part of the kart, or a larger proportion, your brand will be seen.

We would love to talk more about how we can bring your brand to new followers, working on a specific personal plan with you, to maximise the exposure you get.
